

January 5, 2021.

Good afternoon,

Updateregarding modified schedule for your student****

We have received clarification from the school board that our modified schedule (Block 1&3 RealTime – Block 2&4 FlexTime) will be in effect only for this week (in response to the Provincial Shutdown and the closure of elementary schools).

We look forward to returning to our regular schedule on Jan 11th when the elementary schools return to in-school learning.

We are committed to our student's academic achievement throughout these unprecedented times.

Subject specific learning hubs are available in both Blocks 2 and 4 to support our students during FlexTime (asynchronous) learning. Your student can access the links to these virtual learning hubs in their Google Classrooms.

We look forward to returning to our regular schedule on Monday, Jan 11th when elementary students return to in-person learning.

We will continue to keep you informed as we receive information.

Thank you for your continued patience and understanding as we work through this process together.
